

Congratulations to Tracy Eden and Mary Villa who received the Sacrament of Confirmation on Nov 22!

Tracy was baptised a Catholic but wandered away from her faith as a young teenager and was never Confirmed. Forty years later she came back to her roots and has embraced her faith with a new vigor and joy.

Mary is in her mid-twenties and attended a Catholic Mass with a friend and she was hooked. That was about a year ago and now she is a bona fide Catholic convert! Mary and her husband hail from SW Missouri and recently moved to the area
